AN EXCLUSIVE OPPORTUNITY FOR COLLABORATION AND EMPOWERMENT

Your innovative vision and proven expertise demonstrate the highest standards in the industry, and we value your partnership.

Join us in Minneapolis to experience how American craftsmanship, state-of-the-art technology, and a commitment to excellence come together in every Cambria slab, setting us apart in the industry.

While you're here, cultivate meaningful connections with like-minded trade professionals; participate in site visits, workshops, and collaborative discussions; and enjoy some of our favorite spots in our hometown.

GO BEHIND THE SCENES

Enjoy all-expenses-paid flights and accommodations as we treat you to an exclusive Cambria experience. Discover the ingenuity and handcrafted artistry behind the finest quartz surfaces in the industry with an exclusive end-to-end tour of our state-of-the-art processes.

DON'T JUST TAKE OUR WORD FOR IT

"The experience provides support for every step of the sale, fabrication, installation, and product warranty. Truly every detail is addressed and answered."

SHARA CASTILLO

Fabricator, Castle Rock Countertops

"We had never used Cambria in our custom homes and commercial projects before. After our visit to the factory and company headquarters, we have installed Cambria in every one of our projects."

BRAD LEAVITT

Owner, A Finer Touch Construction, LLC

"Seeing behind the scenes will definitely help us sell Cambria to our clients ... because if we love something we can sell it!"

MARIA BARCELONA

Owner, Designer, Maria Barcelona Interiors

GET TO KNOW OUR HOME STATE

BRILLIANT

Minnesota inventions include masking and Scotch tape, Wheaties cereal, Aveda beauty products, Green Giant vegetables, Epicurean cutting boards—and Cambria.

BIG SPOON

The Minneapolis Sculpture Garden—which features a signature cherry and spoon—is the largest urban sculpture garden in the country.

IN GOOD COMPANY

Prince, F. Scott Fitzgerald, Bob Dylan, Judy Garland, and Charles M. Schultz are native Minnesotans.

BECAUSE, BRRR

The famed Minneapolis skyway system connects 52 blocks (nearly five miles) of downtown real estate, making it possible to live, eat, work, and shop without stepping outside.

LAKE LIFE

Minnesota boasts 90,000 miles of shoreline—more than California, Florida, and Hawaii combined—and more recreational boats than any other state (one per every six people).
